

Spelling Bee

CLASS 1 - TERM 2

Based on Tamilnadu State Board Syllabus

District Institute of
Education and
Training(DIET), RANIPET

Global Academy
of Excellence

PREFACE

Global Academy of Excellence (GAOEX) is an ISO-Certified Educational Organization and NGO, dedicated to empowering rural communities through transformative education. With a visionary focus, GAOEX aims to equip students and educators with both "Life-Based" and "Curriculum-Based" **21st Century International Skills** — delivered **professionally** and **digitally**, and aligned with **global standards** through impactful **Educational Research Projects**.

GAOEX has gained **international recognitions** from the **United States and India**, and has been honoured with several prestigious awards for its groundbreaking work in educational reform and research. We are honoured to be in collaboration with the **JUBILEE FOUNDATION, NGO, USA**, whose steadfast support over the past year has significantly amplified our outreach. This meaningful partnership has helped bring lasting, positive change to the communities we serve.

With a growing awareness of the challenges rural students face in learning English — particularly in vocabulary and speaking skills—the *Global Academy of Excellence*, under the visionary leadership of **CEO, G. Prashitha**, has launched an initiative to empower these students through engaging and effective language learning. One such remarkable effort is the introduction of the **Spelling Bee Program**, designed to help students become confident spellers and overcome language barriers that limit their academic and personal growth.

Recognizing the potential of this project, **Mr.Dr.S.Balasubramaniyam, Principal of DIET Ranipet, and Mrs.Dr.G.Madhusudhana, Senior Lecturer at DIET Ranipet**, aspired to take the initiative further. They envisioned aligning it with the **Tamil Nadu SCERT Syllabus**, specifically for Government and Government Aided School students. Taking the lead, they collaborated with GAOEX to develop Spelling Bee books tailored for Grades 1 to 5 of the **Tamilnadu State Board Primary Curriculum**.

With a deep concern for rural learners, the content was carefully designed using psychological principles—progressing from concrete to abstract concepts to promote meaningful and lasting language development.

For **Grades 1 and 2**, the **English and EVS** books include **Picture Illustrated** word meaning, Singular and Plural forms, Sight words both in English and Tamil for relative understanding. For **Grades 3 to 5**, the focus shifts towards Hard vocabulary and graded word difficulty, Spelling practice, Synonyms, Sentence construction both in English and Tamil for relative understanding.

To make learning engaging and interactive, **specially designed worksheets** are included with exercises such as Crossword puzzles, Picking the odd one out, Correct the spelling, unscramble words, Finding the stranger, Mix and fix, Sentence construction etc. These worksheets cover key subjects including **English, Science, and Social Science**, ensuring holistic development of vocabulary and critical thinking across disciplines.

We firmly believe that through this initiative, our rural students will evolve into thoughtful, confident, and articulate learners. By strengthening their foundation in language literacy, this project aims to break barriers, open new horizons, and empower them with skills that will benefit them throughout their academic journey and beyond.

A sincere thanks to everyone involved for their remarkable efforts and passion.

G. PRASHITHA,
CEO/Founder,
Global Academy of Excellence

ACKNOWLEDGEMENT

In June 2024, the **Global Academy of Excellence (GAOEX)**, in collaboration with the **District Institute of Education and Training (DIET), Ranipet**, launched the **Spelling Bee Action Research Project** as part of its ongoing Educational Research Initiatives. The objective was to develop a series of five Spelling Bee books for Grades 1 to 5, covering English, EVS & Social Science subjects, specifically tailored for Government and Government Aided Primary Schools following the Tamil Nadu State Board Syllabus.

Under the visionary leadership of **Mr.Dr.S.Balasubramaniyam, Principal of DIET Ranipet**, and **Mrs.Dr.G.Madhusudhana, Senior Lecturer at DIET Ranipet**, this meaningful project brought together 23 passionate Secondary Grade Teachers from across Ranipet District and the team worked with exceptional commitment and dedication. Their tireless efforts and collaborative spirit were instrumental in bringing these books to life and helping the Educational Research Team reach key milestones.

We extend our heartfelt appreciation to the peer reviewers, whose thoughtful feedback and insightful suggestions greatly enhanced the quality and clarity of the content.

A special thanks also goes to the educators whose consistent ideas and encouragement inspired the very foundation of this project. Your unwavering commitment to improving education in rural areas is the driving force behind initiatives like this.

Finally, we express our sincere gratitude to everyone who contributed to the completion of this handbook—whether through proofreading, editing, reviewing, or simply offering words of support. Your belief in the power of education and in the impact of this project means more than words can express. Thank you for being a part of this journey toward educational excellence.

Why It Matters:

- We are creating spelling books to work to improve the grammar of the rural students in India.
- These books help promote literacy by providing children with a positive goal to work towards, and give them a forum to display their learnings.
- The value of spell bee results in students gaining competency in vocabulary, allowing them to excel in reading and writing.
- These books improve cognitive skills - students will learn how to break down complex words and understand them in an efficient manner.
- These books serve as a one-stop solution to learning and gaining knowledge in vocabulary, grammar, pronunciation, cognitive skills, confidence, and many other valuable skills.
